Dear Members of the Volusia County Bar Association:

I first want to thank each of you for your continuing support of and membership in the Volusia County Bar Association. As we enter our third year of enduring COVID, the fact is that our membership has remained strong, allowing us to continue to operate, offering free continuing legal education classes, limited social functions, and opportunities to volunteer. That is a testimony to your support, and the hard work of previous officers and board members. Secondly, I want to thank the membership for giving me the opportunity to serve as the president of your Volusia County Bar Association. It is a privilege to hold the position in such an active and robust organization.

Although COVID has altered how we do business the VCBA has and will continue to meet the needs of our members. The Communicator, our monthly newsletter, is emailed to all members at the beginning of every month and past issues are archived on the website. As always the newsletter provides helpful information on current events for the membership including our CLE's, socials, community service opportunities, local classified advertisements pertinent to our members, and information on a variety of opportunities throughout the year for members to get involved in the community in positive ways.

Our Executive Director, Kathie Selover, has worked diligently to get the newsletter put together, and keeping our members informed of our activities. Please contact Kathie at volusiabar@gmail.com to obtain more information about the VCBA and anything in the Communicator.

We will continue to host events for our members, being mindful and vigilant as to COVID. As always, we have continued to host events, such as the well-attended cleanup of the Michael Crotty Bicentennial Park last fall, and the Workers Compensation Section Meeting with Judge Wilbur Anderson in December.

On February 1, 2022 we will be hosting, with VFAWL, a virtual meeting with Michael Tanner, the President of the Florida Bar, and will have another community service project on January 27, 2022 during Literacy night at the Holly Hill School where members will be serving dinner to students and their parents.

The Young Lawyer's Division remains incredibly active with both community service activities and educational programming for the members of our association. As always our sections will host CLE's and section meetings throughout the year. Membership in our sections, including the Family Law Section, Elder Law Section, Solo/Small Firm Section, Workers' Compensation Section, and the State and Local Government Section is free to any member of the association.

Our advertisers and sponsors continue to make many of our activities possible. I sincerely thank them all for their continued support and encourage all members to support them with your business. I also cannot thank our officers, board members, and our wonderful Executive Director enough. None of the many benefits of membership and good work that the VCBA does to improve our community and reputation within it would be possible without the effort of our board members and Kathie's hard work and dedication.

Again, thanks to all of you for the support of our association, and I look forward to serving the VCBA and all its members. I am always looking for input into areas where we can improve the VCBA, and offer our members improved membership benefits. If you ever have any ideas or suggestions about making our organization better please contact me via the email below.

Sincerely,

Art Graham
